Good of the Order:

A representative from the Sherrill Library approached us about joining the summer reading program. It is from my (Kaylee Sierson's) understanding that they would like to participate in our point system for encouraging the kids to read more books. Each child will be given a raffle ticket per book read. They will then use these tickets to be entered into a drawing at the conclusion of our summer reading program. The drawing will be for a backpack filled with school supplies. (would Amanda like to add to this at all)? Are there any thoughts/comments from the board?
